

Act II. Analyze Romeo and Juliet's descriptions of love and infer meaning by analyzing the literary devices such as diction, imagery, and figurative language. Are their ideas about love typical or surprising? How are their ideas similar or different? Realistic or Idealistic? Complete the journal template with evidence and line number on the left side of the chart and commentary that explains how or why the quotation contributes to Romeo's and Juliet's concepts of love. (Adapted from LTF's Literary and Rhetorical Analysis Journal Template)
